## BAIT COMPANY

2022

# SUPPLEMENTAL CATALOG

# FIRE HOOKS

NEW!

**For almost a century Pautzke has provided anglers with the perfect bait to catch trout. We now have the perfect trout hook to match.**

**Enter Fire Hooks:** a series of hooks carefully mastered to hold salmon eggs, corn, dough bait, artificial eggs, and more. They are crafted for trout anglers, but are strong enough for steelhead.

- Strong, Affordable & Created by Trout Experts
- Available in size 8, 10, 12, 14
- Designed to pair with new Fire Floats
- Bait Lab Approved
- 20 Per Pack

# ***FIRE FLOATS***

**Not all trout floats are created equal.**

To minimize spooking wary trout, Fire Floats are two-toned: colorful on the top so you can see it clearly and black on the bottom so the trout can't. Fire Floats can be used in small creeks, streams, rivers and lakes and come in four packs. They are best paired with Fire Hooks.

**NEW!**

- Available in four packs
- Lightweight, yet durable
- Great for beginners
- Best Used in Small Trout Waters

# FIRE WORMS

Pautzke's new versatile Fire Worms are effective for panfish, trout, steelhead and salmon. Fire Worms can be fished in creeks, lakes, rivers and ponds and come in a generous 15 count. This multi-species worm can be fished under a float, jigged, tipped on baits to serve as an attractor or swam through the water column with finesse.

- Garlic Scented
- Available in seven colors
- Affordable
- Can be rigged whacky style or threaded
- Neutrally buoyant
- 2.7 Inches Long
- 15 Per Pack

**YELLOW**

**CHARTREUSE**

Pautzke's new Fire Eggs mimic natural trout, salmon and steelhead eggs and come with affordability in mind. These eggs are priced to sell and use more than 85 years of Dad Pautzke's egg science to catch trout, salmon and steelhead. They can be drifted in streams and rivers, floated off the bottom with a split-shot or bullet weight and paired with a Fire Worm for creative anglers.

- **Garlic Scented**
- **Available in several vibrant colors**
- **Affordable**
- **Neutrally buoyant**
- **30 Per Pack**

**BAIT LAB  
APPROVED**

# FIRE GEL

The New Must-Have Scent for all Species

## 27 DIFFERENT SCENTS

Fire Gel comes in 27 flavors, can be placed on a base deck or hangs from a peg and offers a scent for every species caught in fresh or saltwater in North America. It's becoming a must-have for guides and professional anglers overnight.

- No aerosol involved, jelly-type based
- 27 Flavors available
- Seen on dozens of episodes of Pautzke Outdoors filmed in more than 20 states since the Pandemic started
- Massive advertising and exposure
- Effective on all lures, baits and flies
- Designed for fresh and saltwater
- Creates a strong, long last scent trail

With more than 85 years in the bait business Pautzke knows BAIT - and SCENT - as good as anyone. Fire Gel uses what we've learned for more than eight decades and brings the longest lasting, most powerful and strongest fish catching scent to anglers. Simply apply Fire Gel on your finger and rub onto your favorite lure for maximum success.
